

Bong Estoque, P.Eng.

Bong has been an Executive Member of the Edmonton Branch for the last six years. He is a Professional Engineer with a B.Sc. Degree in Engineering from the University of the Philippines and a Master of Engineering from the University of Alberta. Bong is a Senior Project Manager with Alberta Infrastructure and is currently involved with the Redevelopment of the Edmonton Federal Building and Centennial Plaza at the Legislature Grounds. Bong and his wife Rhoda enjoy volunteering for a number of non-profit organizations in Edmonton in their spare time.
