

Rada Geddes, P. Eng.

Rada Geddes graduated as a mature student from the University of Alberta in 2005 with a B. Sc. in Electrical Engineering. She has been working with ATCO – Electric for the past five years as an engineer in various positions. In her present position, she is responsible for capital planning in the Distribution Maintenance Department.

Rada volunteers her time with APEGGA, WISER (Women in Science, Engineering and Research), and also the Marian Center (weekend lunch program for the inner city). In her free time, Rada enjoys ballroom dancing and outdoor activities such as skiing, hiking, and running.
