## **BRANCH ACTIVITY REPORT, May 2007**

---

### **BRANCH ACTIVITIES**

- February 28, 2007 – President's Visit Luncheon and elections of the 2007/2008 Executive. The luncheon was well attended by VIPs. Branch elections were held with no further nominations from the floor.
- March 20, 2007 – Doug Coffey talked about the LAVIII Servicing and Retrofitting. The presentation was well received.
- April 10, 2007-- Jim Livingstone spoke about Reverse Drilling Technology. The presentation was more technical than expected. Overall the presentation was well received.
- May 15, 2007 – Andrew Reif's presentation of SPAR Aerospace was well received, with members enjoying the presentation.
- May 24, 2007 -- P.D. Evening -- Lorna Herron discussed "Human Factors Engineering". The majority believed her presentation was excellent, however a handful were disappointed that it wasn't longer.

### **UPCOMING EVENTS**

The dates of the Branch Activities have not yet been confirmed by the presenter(s).

### **BRANCH BUDGET**

The Branch is financially sound.
