

Notarius is pleased to invite you to a 90 minute information session on the use of the APEGGA's digital certificate for electronic documents and how it can help reduce costs, improve office efficiencies and provide a modern method for archiving original documents.

Summary of presentation

1. Who is Notarius?
2. Our role with APEGGA and other professional associations in Canada.
3. Legal and regulatory requirements for electronic documents.
4. Digital signature technology explained and demystified.
5. Full product demonstration of the Notarius Signature Kit.
6. Review of digital signature benefits in modern business operations?
7. Q & A
